ATT Laser Machines

Providing high quality

Industrial Laser Equipment Products

Laser Processing Technology Service

Dot Pin Marking Machine

ATT

Applications

Ashrin Tools Technology is focused to provide solutions related to Marking, Cutting, Welding, and Engraving on Parts. We provide the best solutions to the clients related to their marking needs to trace, identify, and best quality of marking in less time with the most affordable prices.

We do not compromise on quality by using the best parts for making machines and provide customized solutions to our clients as per their requirements.

ATT - Laser Marking Machine Solid Cabinet

(Manufactured In India)

Technical Data					
Sr No.	Parameters	ATT20	ATT30	ATT50	ATT-SA 3, 5, 20, 30, 50, 100, Alpha, SPM1
1.	Laser Technology	Q – Switched Pulsed Fiber Laser Series	Q – Switched Pulsed Fiber Laser Series	Q – Switched Pulsed Fiber Laser Series	Q – Switched Pulsed Fiber Laser Series / MOPA / UV / Co2
2.	Marking Area Scope (mm) Recommended as per application.	75x75 , 100x100, 150x150 Optional - 200x200, 300x300, 400x400, 500x500	75x75 , 100x100, 150x150 Optional - 200x200, 300x300, 400x400, 500x500	75x75 , 100x100, 150x150 Optional - 200x200, 300x300, 400x400, 500x500	75x75 , 100x100, 150x150 Optional - 200x200, 300x300, 400x400, 600x600 1000x1000
3.	Repeatability	± 0.002 mm	± 0.002 mm	± 0.002 mm	± 0.002 mm
4.	Laser Module Life	>100000 hours	>100000 hours	>100000 hours	>100000 hours
5.	Power Consumption	500 W	500 W	500 W	500W-2500W

Applications of Laser Marking Machine

ATT Dot Pin Marking Machine

Table Type	Marking Area Scope (mm)								
Model	150 x 100, 200 x 150								
<table border="1"> <tr> <td>ATT-DP01</td><td>Software run on PC</td></tr> <tr> <td>ATT-DP02</td><td>Touchscreen Controller</td></tr> <tr> <td>ATT-DPR03</td><td>Software run on PC</td></tr> <tr> <td>ATT-DPR04</td><td>Touchscreen Controller</td></tr> </table>	ATT-DP01	Software run on PC	ATT-DP02	Touchscreen Controller	ATT-DPR03	Software run on PC	ATT-DPR04	Touchscreen Controller	
ATT-DP01	Software run on PC								
ATT-DP02	Touchscreen Controller								
ATT-DPR03	Software run on PC								
ATT-DPR04	Touchscreen Controller								
ATT-DPRO3 & ATT-DPR04 – Models are with Rotary Device attachment to mark components by rotating it.									

Portable type		Marking Area Scope (mm)
ATT-PDP01	Software run on PC	Magnet Fixture / Normal Fixture – 140 x 80, 120 x 30
ATT-PDP02	Touchscreen Controller	
		To be Mount on Fixture – 70 x 50, 50 x 20
